

A slice of life in a little village

A story of ambition and struggle, with a sprinkle of romance

- Buy spinach seeds from the provision store.
- Plant spinach in my farm.
- Sell the spinach at Sarita's shop.

YOU ARE SUCH A TALENTED ARTIST.

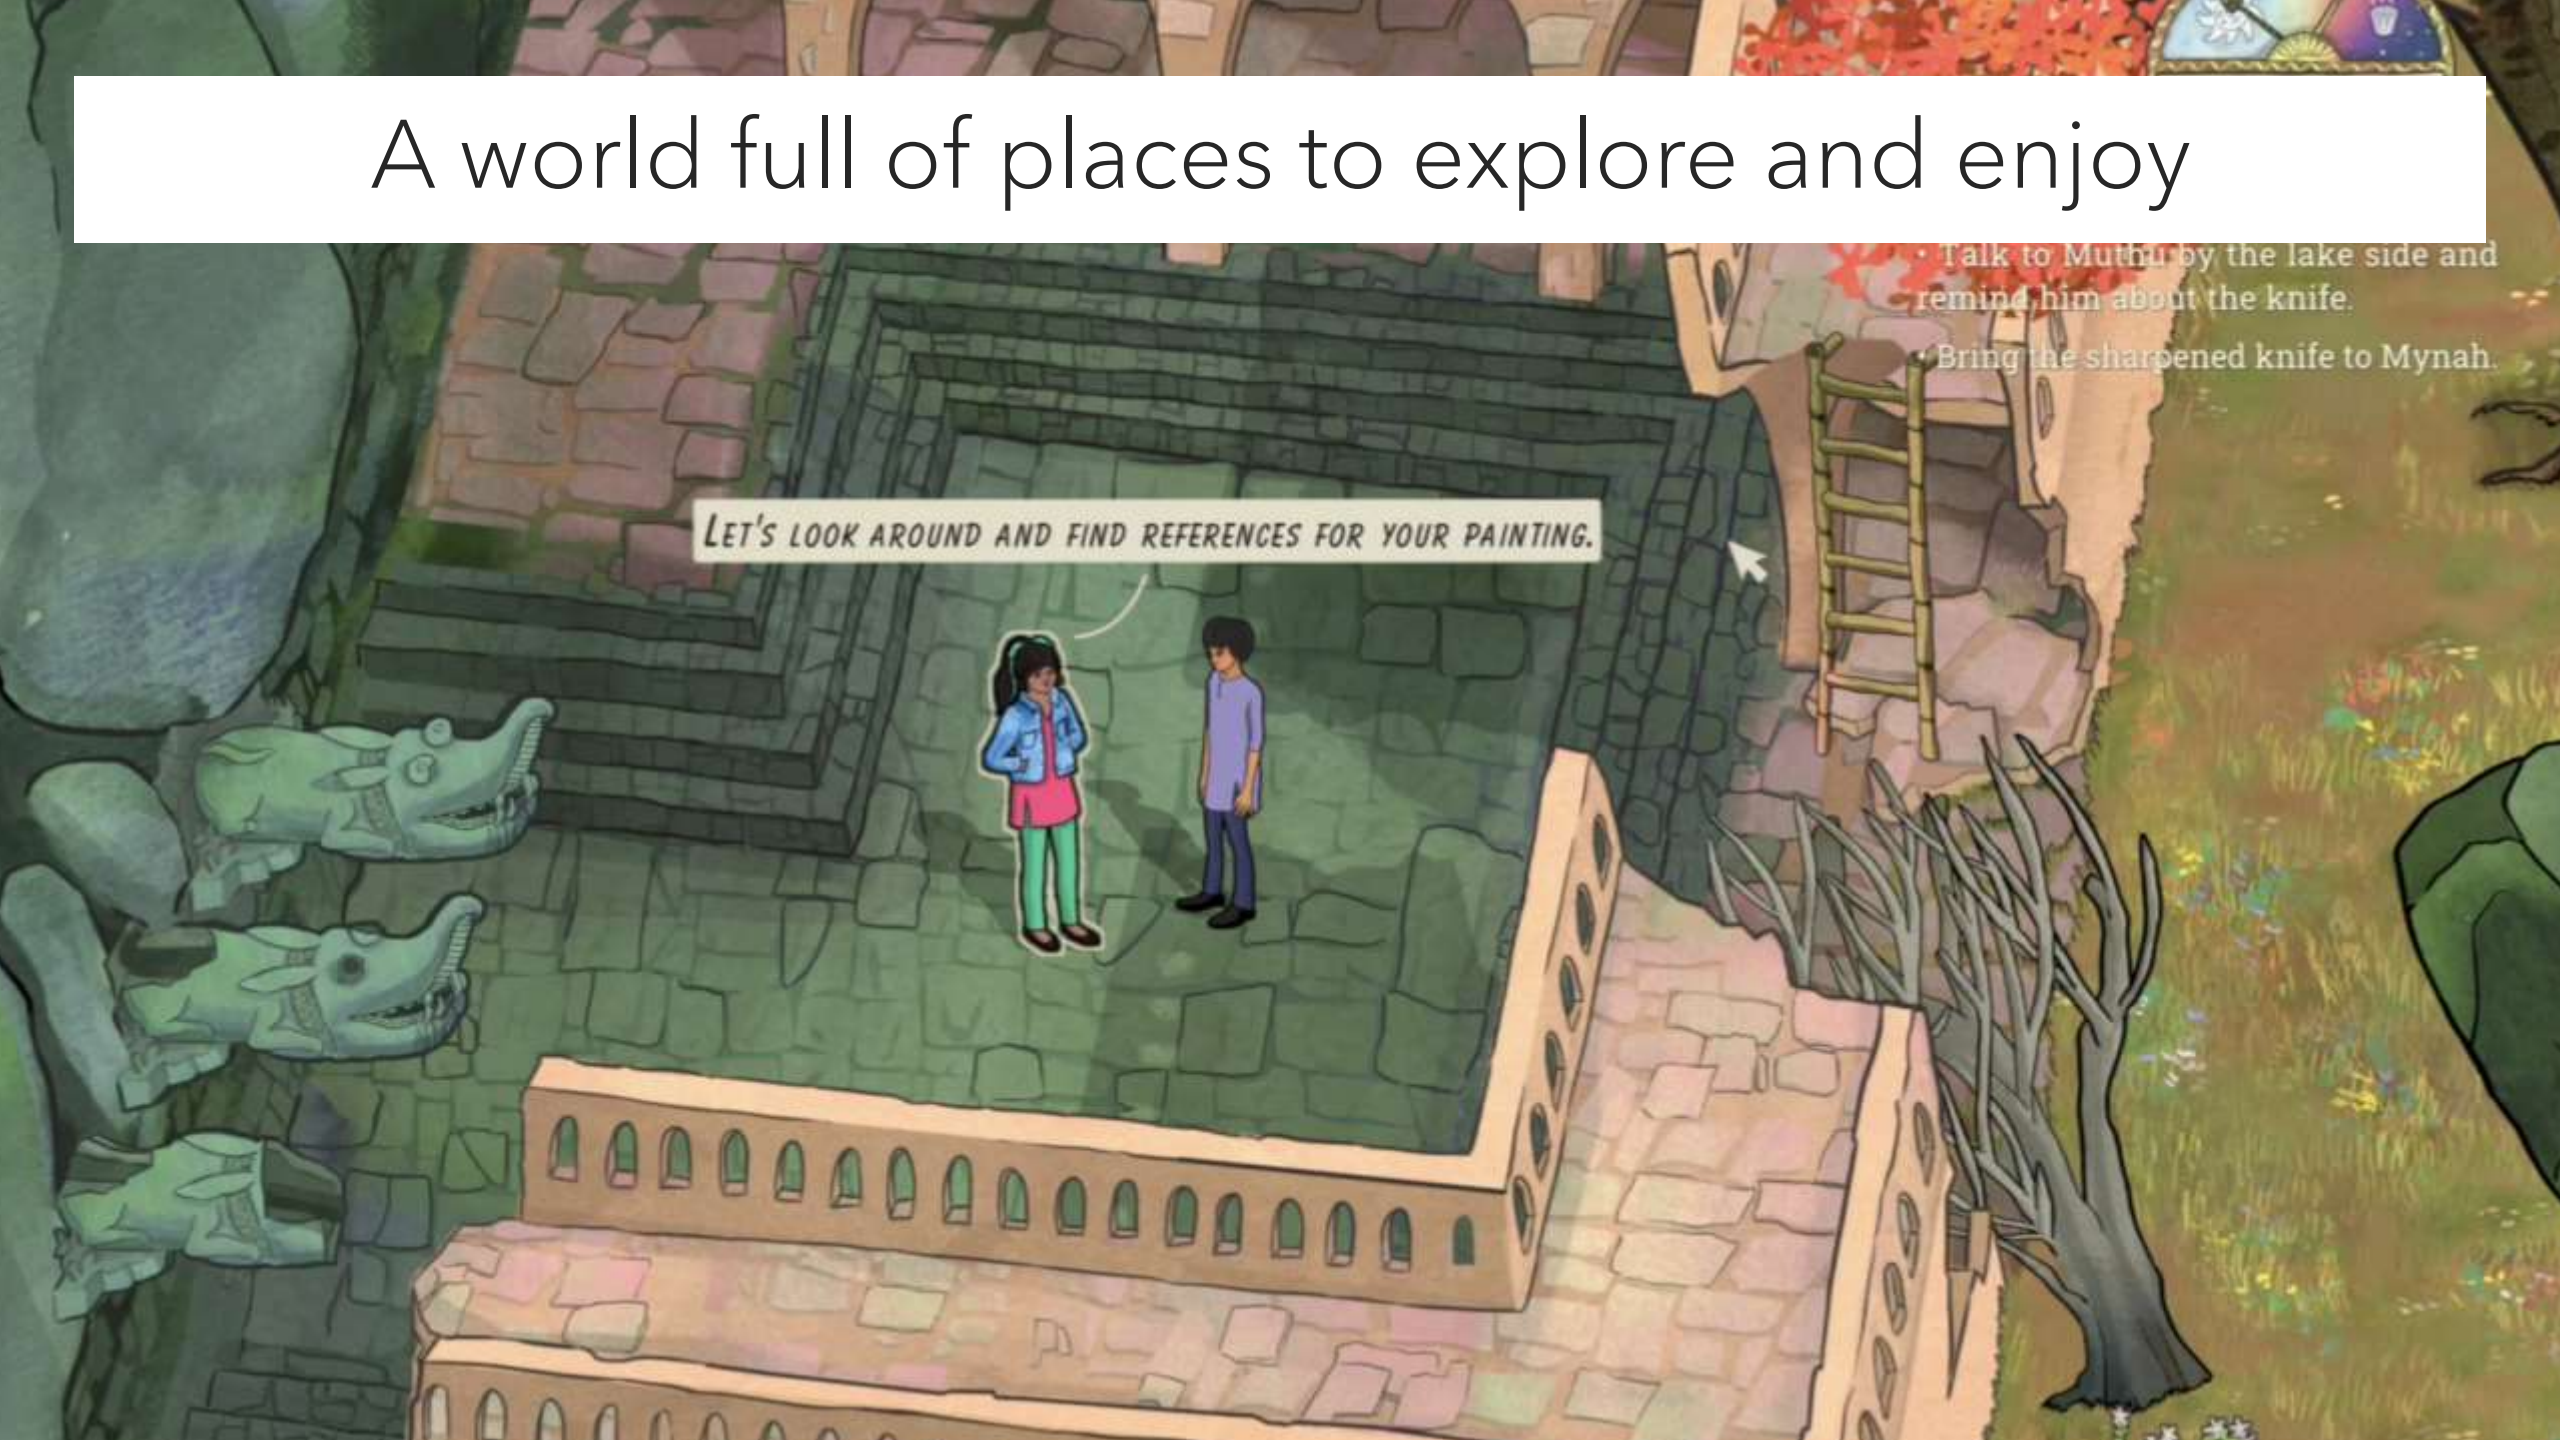

A world full of places to explore and enjoy

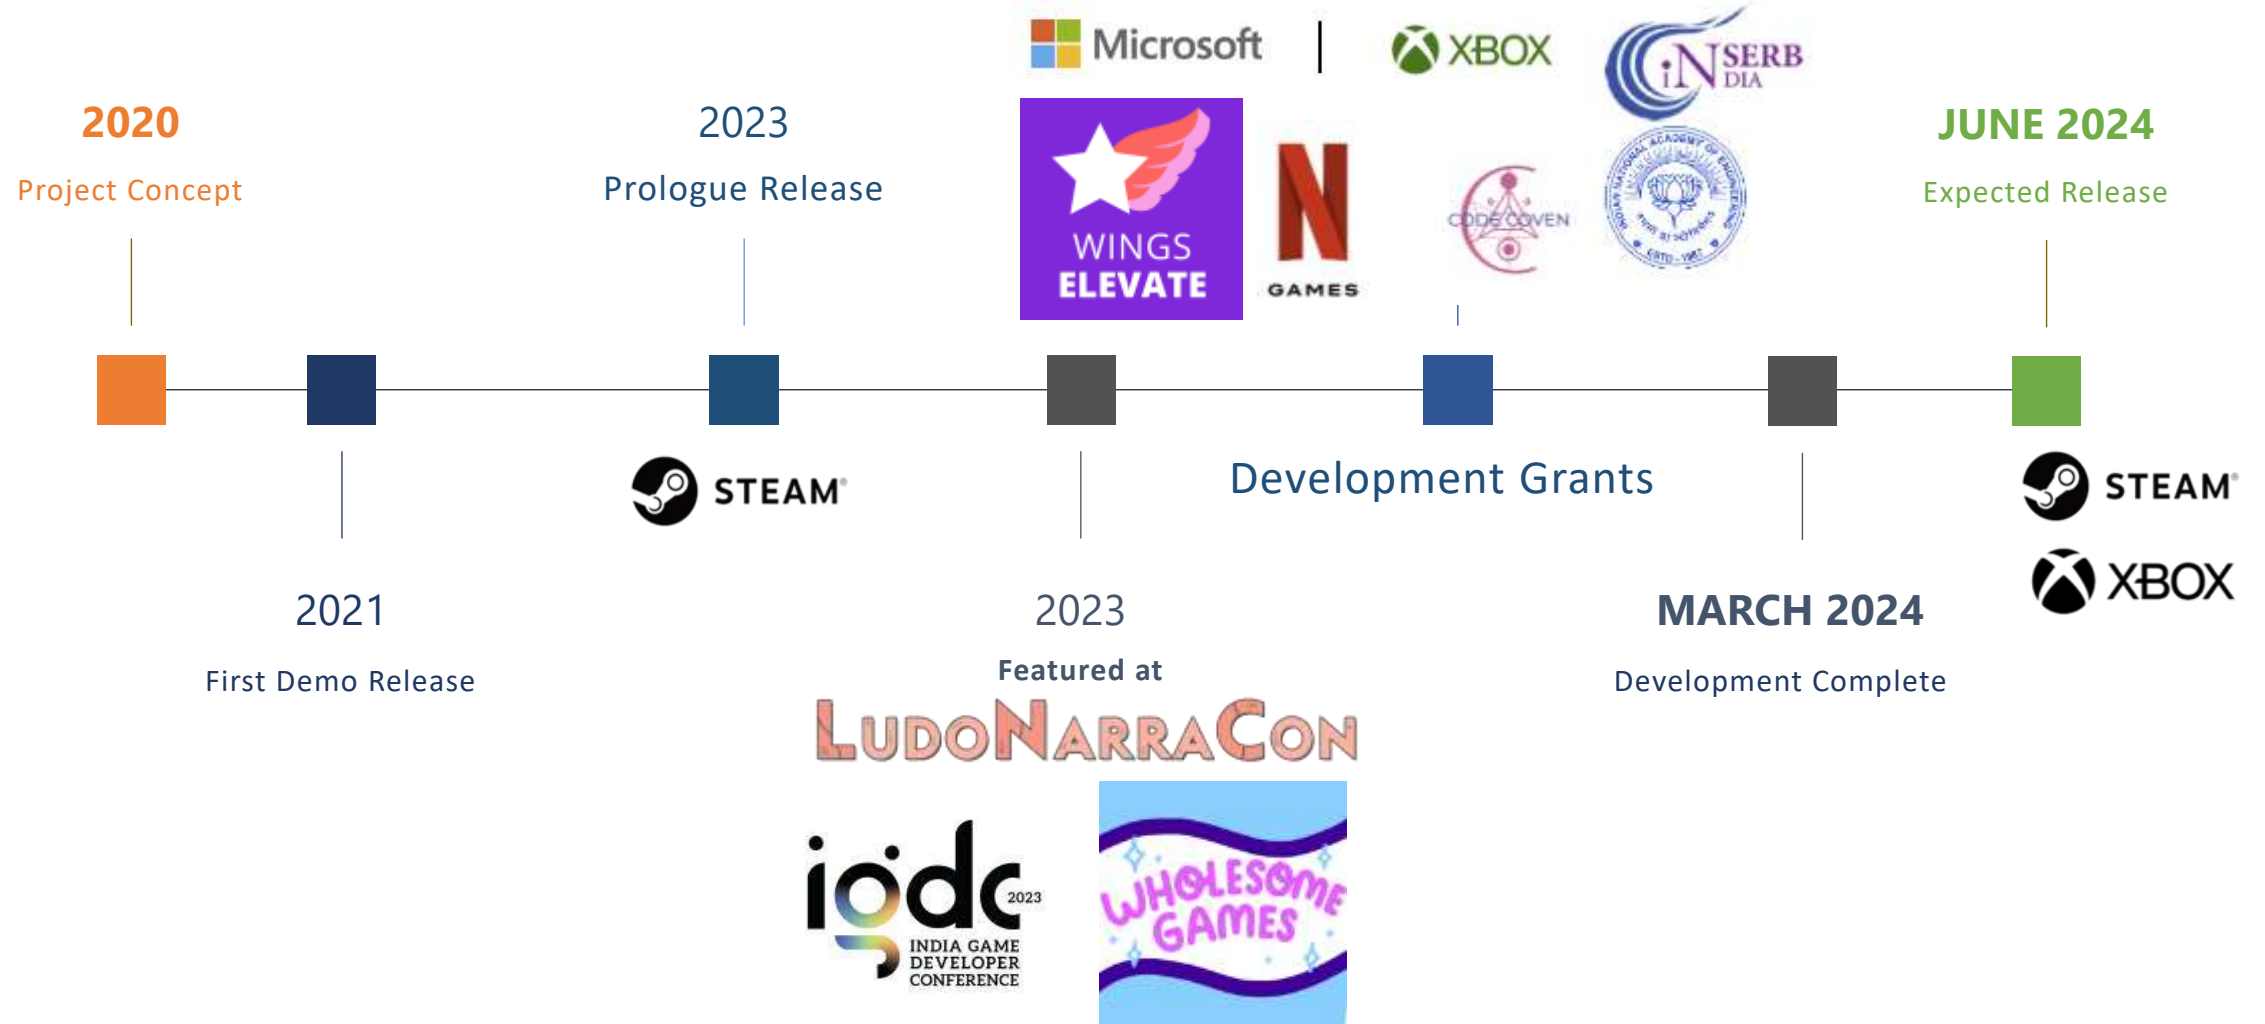

LET'S LOOK AROUND AND FIND REFERENCES FOR YOUR PAINTING.

• Talk to Muthu by the lake side and remind him about the knife.

• Bring the sharpened knife to Mynah.

TIMELINE

PUBLIC RESPONSE

This is a nice, calming SOL that feels very healing. It's a great option if you're looking for something cozy to play. Peak iyashikei vibes as it were. I very much enjoyed playing it and look forward too more from this studio.

Video Games are Good Review

So good! An 'at your leisure' pace game with beautiful visual art style: compelling characters and great intro to story. Can't wait for full release.
